- **Energized** greeting spaces.
- A **modern** image for your company.
- A **seduced**, faithful customer base.
- **Optimized** waiting times.
- A fun way of **educating** and **entertaining** children.
- A **unique differentiating** service.
- A **polished** product or service offer.

Offer your customers a magical experience!

Planet'Touch

Planet'Touch teaches children how to care for the environment and makes them aware of sustainable development.

Sudoku'Touch

Play with numbers and be the first to fill your grid, all at the tip of your fingers!

Poker'Touch

Saddle up for a game of Texas Hold'em! Bluffing is the ace up your sleeve as you compete to win your adversaries' chips.

Paint'Touch

Paint'Touch enables children to colour, draw and play edutainment games. This game is ideal for teaching and learning.

Race'Touch

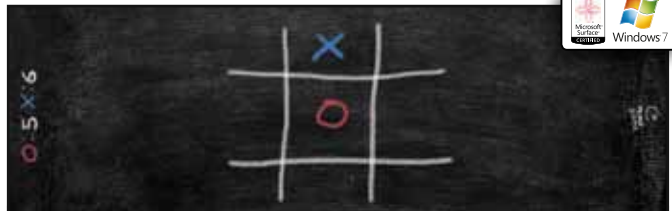

Who will be the first to cross the finish line? With Race'Touch, challenge up to 3 of your friends on the race track!

Clothes'Touch

Discover Clothes'Touch! A fun, interactive and extremely visual game to tell children about history, all while having fun.

Tic-Tac-Toe'Touch

A game of tactics, to be enjoyed with a friend... Will you uncover all of the possible combinations?

Casino'Touch

Discover this amazing multi-user "Boule" game for a truly magical experience. Place your bets and spin the wheel – the chips are down!

Quiz'Touch

Only a few seconds left until your time is up! Alone or as a team, be the first to get the right answer.

Pong'Touch

An updated version of the Pong game, which enables up to 4 players to pass balls around the virtual table-tennis design.

Transform your customer relationship with these games applications!

We provide our software on a turn-key basis. These packaged applications can also be personalized on request.
